Who we are

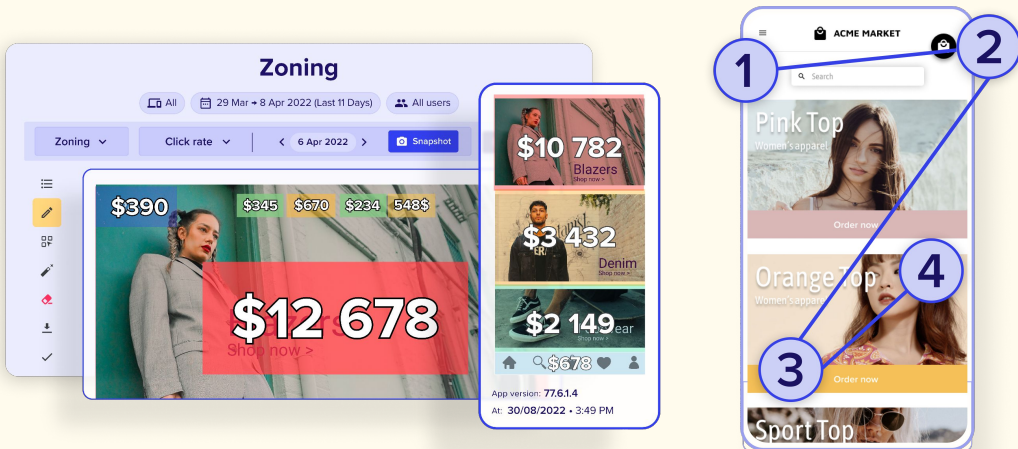

Contentsquare is a **Digital Experience Analytics** platform that empowers brands to create better experiences on Web, Mobile, and Apps.

What we do

Contentsquare's intuitive SaaS (Software-as-a-Service) technology provides the insights teams need to deliver experiences their customers love, and to maximize engagement, conversion and retention.

We power the new digital experience, made more human.

2 in 5 online experiences today is frustrating*

At Contentsquare, we want to bridge the gap between what customers expect from browsing online and the experiences provided by brands.

Innovation At Scale

How We Innovate:

Customer reviews: more than 1,300 Enterprise customers trust us! Our platform is deployed on over 1.3 million websites.

Deep understanding of our platform:

Forrester found that a composite organization—based on extensive interviews with five of our customers—achieved a **602% ROI** from Contentsquare and payback in six months.

Innovation today that will matter tomorrow. Our recent ranking in the **2023 Forbes Cloud 100 list** and being repeatedly recognized by **G2**, the world's largest and most trusted software marketplace, means a lot to us.

Human Mission. Global Ambition.

Our values...

In it together - Act as a team and lift each other up

Go beyond - Reach for the stars and build great things

Be yourself - Welcome differences and embrace uniqueness

Love the journey - Celebrate every milestone, make memories

Try, learn, grow - Be curious, don't be afraid to fail!

...are being recognized!

Contentsquare was ranked 3rd in **LinkedIn's Top Companies France** list — an annual ranking of the 25 best workplaces to grow a career.

We were also ranked 12th by **Glassdoor in the Best Employers 2023 in France**, a ranking highlighting the companies for which employees say they are most happy to work.

And, we were recently certified a **Great Place to Work!**
